EXPERIENCE

HIGHLIGHTED PERSONAL PROJECTS   Remote
Full Stack Web Developer

Doctors —Doctor Appointment is a full-stack application for booking an appointment with a doctor. This fully responsive application allows users to load, create, and delete doctors and appointments. Users need to sign up or sign in to access the application. They can sign up or sign in using the signup and login forms.
Built with: Rails, React and CSS View the repository on GitHub

BookStore — Bookstore-CMS is a SPA made for all book lovers. It enables users to track the book progress, add new books and delete books. It was built by React.js
Built with: React on Redux and Tailwind   View the repository on GitHub

Tranzakt — TRAnzKT App is a mobile web application that allows the user to manage his/her budget: they have a list of transactions associated with a category so that the user can see how much money they spend on a particular category.
 Built with: Ruby on Rails and Tailwind View the repository on GitHub

MICROVERSE   Remote
Mentor(Volunteer)   February 2022 – Present
- Mentoring two junior web developers, and providing technical support through code reviews.
- Providing advice and tips on how to maintain motivation to maintain longevity in the program.

MICROVERSE   Remote
Code Reviewer   August 2022– Present
- Reviewing projects of Junior Developers and providing constructive feedback on their work.
- Delivering well-written and described code reviews on both technical and professional aspects.
- Helping students along their journey to become successful Full-Stack Software Developers.

EDUCATION

MICROVERSE   Remote
Remote Full Stack Web Development Program, Full-Time   January 2022 – August
- Spent 1300+ hours mastering algorithms, data structures, and front-end development while simultaneously developing projects with JavaScript, Ruby, React, Rails, and Redux.
- Developing skills in remote pair programming using GitHub, industry-standard git-flow, and daily standups to communicate and collaborate with international remote developers.
